

# ILEETA

International Law Enforcement  
Educators and Trainers Association

## Mission

ILEETA is committed to the reduction of risks for criminal justice practitioners and the public through the constant improvement of law enforcement training and education. To that end, ILEETA will provide resources, benefits and networking opportunities to aid its members and also strive to enhance understanding between society and the criminal justice professions.

## Eligibility

Membership in ILEETA is select. You must be involved in the delivery of education or training to the criminal justice community by being an educator, trainer, or supervisor or manager of criminal justice education or training. There are no associate members, student members, nor can just any law enforcement officer or criminal justice professional become a member. Certifications, licenses or a letter of reference from a criminal justice agency can be provided to meet this requirement. We are very select in deciding who can be an ILEETA member, it isn't cronyism – it is professionalism!
