

As you prepare to depart for the 2022 ILEETA Conference, I wanted to make you aware of COVID 19 testing that might assist you in your return trip home. We have identified a lab just a few blocks East of the conference hotel that can conduct such tests. You will want to determine which test your country will require.

Nomi Health/St. Louis Health Department COVID tests offered: Rapid Antigen, Nasal PCR & Saliva PCR.

1520 Market St , First Floor Conference Room , St. Louis, MO, 63103 (a few blocks East of the Hotel)

https://testing.nomihealth.com/easy_registration/226/onsite

Make an appointment up to 7 days in advance. Receive a QR code. Test results while you wait. No cost.

Should you have any difficulty accessing this site please stop in at Instructor Support in the Switchman Room. This information will also be available through the conference app and the conference site map page.

Stay Safe,

Harvey Hedden

Executive Director

International Law Enforcement Educators and Trainers Association
